Subject: Create a balanced cleanup plan

It's a terrible idea to approve a cleanup plan that may hurt jobs because it is so expensive.

If the EPA approves a big, expensive cleanup, I am worried that it will lead to higher costs for small companies and Oregonians. We also have utilities who will pay part of the cost and I'm worried a big cleanup bill would lead to higher utility bills.

Thank you for recognizing that there is a real cost to employers for this cleanup. And thank you for everything you're doing to protect our river.

Sincerely
